## WORK EXPERIENCE

**Freelance Designer & Illustrator**  
Self-employed • Buena Park, CA

March 2007 - Present

I am currently freelancing as an independent fine art professional specializing in graphic design and illustration. My contract work has included creating and updating web layouts, company identity & branding, photographic editing, commissioned illustrations, and production work. I have also worked on several ad layouts, print mailers, invitations and other promotional materials.

**Marketing Graphic Designer**  
KTGY Group, Inc. • Irvine, CA

January 2006 - November 2007

I worked within the Marketing Department of an Architectural Firm. My tasks included creating brochures, presentations, advertisements, and other marketing materials for several teams within the company. I was also in charge of several focus groups that developed company-wide graphic guidelines and standards.

**Webmaster & Graphic Designer**  
College of Engineering & Computer Science  
California State University, Fullerton • Fullerton, CA

April 2004 - January 2006

I worked closely with the Associate Dean within the Dean's Office of the College of Engineering and Computer Science at California State University, Fullerton. I was in charge of updating the ECS website and reformatting all pages of the college's site. I also worked as the office's graphic designer, creating postcards, posters, and other printed promotional materials.
